

\$160 Needed to Fund a Second Aquarium for
Mrs. Romick's Classroom

January 23, 2012

Dear Parents,

Mr. Williams (Alaina Moore) is going to donate \$500 for a chiller unit for an aquarium to be placed in Mrs. Romick's classroom. We still need \$160 for an aquarium, filter, and tubing in order to have another complete, running, aquarium for our Steelhead salmon unit.

If you were willing to donate any money at all it would truly be appreciated. Mrs. Roberts and I will be purchasing the equipment within a week so we need the money as soon as possible.

Thank you for your concern over this matter. It is for the children in the classroom that we ask for your help. Once the aquarium is set up, it will be an on going lesson for years to come.

Debbie Kamberg, the office secretary will be collecting money for the aquarium.

Many thanks,

Marie Romick
