Reading

Our class has finished Reading Theme Test 1. The results will be back to you soon, however it is a 25-page test so Mrs. Flemming has my good wishes to take a week or so to correct them.

Next week we read Henry and Mudge and the Starry Night. This is selection one of theme 2 *Nature Walk*. Our class will have a Story Test and Spelling Test every Friday, except for the last week of school and the Friday before winter break.

Progress

We have four third grade spellers, who are in the second grade: Mason Culver, Payton Dias, Gwendalyn Parsons, and Kaelyn Jones-Rios, These students work above grade level in Language Arts.

Our Accelerated Readers (all students in our class) now have ZPD's that indicate their Zone of Proximal Development. They have been given a years spread of reading levels in which to choose books to read.

Gwendalyn Parsons has already achieved her First Trimester AR goal! Congratulations Gwen.
