

Pine Hill Elementary Newsette

September 28, 2009

We're well into the new school year and were happy to see many of you at Back-to-School Night. So much is happening, and I'd like to fill you in on the next few weeks.

Our Volunteer Training was held last week. If you couldn't make it, and still want to be involved, I'd be happy to meet with you individually. Volunteering is open to anyone who would like to participate at Pine Hill School – in the classroom, in the library, or for special events/projects.

Speaking of volunteering: please consider serving on our School Site Council (SSC). We have had three parents volunteer as SSC members and need two more. Meetings are held after school, usually once a month. We'll set a schedule that works for those involved. If you are interested, give me a call or catch me out in front in the morning.

Friday, October 2nd is midway through our first trimester, and mid-term progress reports will be coming out. This is a chance for you, your child, and your teacher to “check in” on student progress. Look for them in the mail.

Picture Day will be Wednesday, October 21st. Information will be sent home closer to that date, so keep your eyes open. Re-takes are scheduled for Wednesday, November 18th.

Please remember to go online periodically and check out our website. Our webmaster, Mr. Lentz, regularly updates information: breakfast and lunch menus, newsletters, special events, reference materials, and PowerPoint presentations. I am sure you will continue to enjoy exploring this valuable resource.

We encourage your active participation in your child's education, and in our school events when and where you are able. Please remember to sign in at the office when you come on campus during the school day.

Pam Olson
