## Principal's Message

Happy Holidays! We have several special events planned for this holiday season and I hope that you will be able to attend at least some of them.

- We will have our Winter Concert at South Bay on Thursday evening at 7pm. The South Bay band will play under the direction of our music teacher, Mr. Peter Jain.
- On Friday morning, beginning at 8:45am, we will host our Holiday Assembly here at Pine Hill. Classes will be performing different holiday songs that they have been practicing for several weeks. They are excited! Please see the attached flyer for more information.
- On Sunday the 18th, the Elk's club will host a private party for Pine Hill and South Bay families. The event will take place from 12pm-2pm. Lunch will be provided, Santa will be there for pictures and more, plus there will be lots of activities for everyone to enjoy. Parent volunteers are needed, so if you can help please contact the school office at 443-4596. Again, thank you to the Elks for their generosity.

Best wishes for a happy and safe winter break.

**Safety:** We have had several requests to remind everyone not to enter the school through the exit-only drive way. We recently put up a Do Not Enter sign to do just that, so please remember to avoid accidents by avoiding this short cut. Also, please pull to the curb when dropping off students.

**Lost and Found:** Our lost and found will be on display outside the doors to the multipurpose room on Friday during our Winter Assembly. Please stop by and take a look. Clothes without names inside will be donated during the holiday break.

**Birthday Parties:** In order avoid disrupting class time and to prevent hurt feelings, please do not send party invitations to school with your child unless you will be inviting all the students in the class. If you are inviting just some students or students from different classes, we would be glad to address and mail them for you. Just provide us with the invitations in stamped envelopes and drop them in the office. We will add the addresses and send them on their way.
